BE JEWELLED

VANCOUVER JEWELLERY DESIGNER **SHEREEN DE ROUSSEAU** MAY TAKE HER NAME FROM A FRENCH POLITICAL PHILOSOPHER, BUT THERE'S NO NEED TO BE BOOKISH TO UNDERSTAND HER STYLE.

We love the "marbre gris" collection of howlite beads (and so does Carmen Elektra) and the eclectic "colibri noir" group with its vintage medallions, burnished birds, crosses and keys that seem to tell a story.

Like, "Once upon a time there was a mysterious young woman who left a trail of broken hearts in her wake...."

The next chapter is up to you.
